

1786

FR Terry Cut Glove

1786 unique engineered yarn technology uses durable fibers, which provides better protection from lacerations and more resistance against abrasions than a standard aramid glove. In addition, our 1786 contains flame resistant fibers which will protect against incidental sparks and flames. The extended thumb crotch made of Dupont™ Kevlar® yarns increases glove life and offers additional protection against wear and abrasion.

INDUSTRY:

Metal
Fabrication

APPLICATIONS:

Automotive
Metal Fabrication
Stamping

SPECIFICATIONS:

Style	1786
Description	Loop-Out Terry Cut Glove
Material	Flame Resistant Fibers and Stainless Steel with Kevlar Reinforcement
Size	XS-XXL
Packaging (Inner Pack)	3 pieces
Packaging (Case Pack)	36 pieces
Sold by	12 pieces

Textured knit surface
that improves cushioning,
grip, and comfort

Longer cuff design
that provides
added wrist coverage
and a secure,
comfortable fit

LAUNDERING:

Remove all large particles.
Rinse with cold water then machine wash in warm water with mild detergent or soap for 10-15 minutes.
Water temperature should not exceed 160°F (71°C).
Rinse in cold water.
Tumble dry for 10-15 minutes, not exceeding 150°F (67°C).
A diluted bleach solution may be used (5.25% sodium hypochlorite or 1:10 household bleach).

FEATURE:

Loop Out Structure
Good Cut Resistance
Flame-Resistant Fibers
Extended Thumb Crotch
Ideal For Handling Heavy Sharp Parts

BENEFIT:

Cushions Hands To Reduce Fatigue When Handling Heavy Parts
Strong Cut and Abrasion Resistance for Enhanced Hand Protection
Provide Protection from Incidental Sparks and Brief Heat Exposure
Kevlar®-Reinforced Thumb Crotch Enhances Durability in High-Wear Areas
Provides Secure Handling of Heavy, Sharp, and Abrasive Materials

PERFORMANCE RATINGS:

ANSI/ISEA
105-2024

Cut Level A4
Abrasion Level 3

ANSI/ISEA
105-2024

ABOUT WELLS LAMONT INDUSTRIAL

DEDICATED TO PROTECTING THE HANDS AT WORK

Wells Lamont Industrial began manufacturing gloves in 1907 and continues to be a leader in the global glove industry today. We are driven to provide unequaled technology, service, and support to our safety distributors and end-users.

By leveraging our design and technical expertise, Wells Lamont delivers high quality and innovative cut and heat-resistant gloves, palm coated gloves, critical environment gloves, and leather gloves.

We are the only glove manufacturer in the U.S. that upwinds its own yarns and knits them into cut-resistant gloves.

COMMITTED TO OUR CUSTOMERS

Following the precedents set by W.O. Wells more than 100 years ago, Wells Lamont today is committed to bringing our customers superior quality, innovative engineering, and responsive service.

We are passionate about maintaining excellent relationships with our customers, and we stand behind our products' quality and performance by providing:

- Control of quality
- Knowledgeable Sales Representatives
- Design technology and innovation
- Online product selection
- Downloadable sales literature
- Customer assistance with toll-free access (800-247-3295)

INNOVATION & SOLUTIONS DRIVEN BY INDUSTRY NEED & APPLICATIONS

We are committed to providing the most innovative hand and arm protection to the industries we serve. By working closely with our customers, we develop solutions designed specifically for the work, tasks, and applications our customers need.

WE ARE INNOVATION LEADERS AND HAND & ARM PROTECTION EXPERTS IN THE FOLLOWING INDUSTRIES:

- Automotive & Transportation
- Critical Environment
- Oil & Gas
- Food
- Metal Fabrication
- Machinery and Equipment

Contact us today and get the gloves you need.
