ABOUT WELLS LAMONT INDUSTRIAL

DEDICATED TO PROTECTING THE HANDS AT WORK

Wells Lamont Industrial began manufacturing gloves in 1907 and continues to be a leader in the global glove industry today. We are driven to provide unequaled technology, service, and support to our safety distributors and end-users.

By leveraging our design and technical expertise, Wells Lamont delivers high quality and innovative cut and heat-resistant gloves, palm coated gloves, critical environment gloves, and leather gloves.

We are the only glove manufacturer in the U.S. that upwinds its own yarns and knits them into cut-resistant gloves.

COMMITTED TO OUR CUSTOMERS

Following the precedents set by W.O. Wells more than 100 years ago, Wells Lamont today is committed to bringing our customers superior quality, innovative engineering, and responsive service.

We are passionate about maintaining excellent relationships with our customers, and we stand behind our products' quality and performance by providing:

- Control of quality
- Knowledgeable Sales Representatives
- Design technology and innovation
- Online product selection
- Downloadable sales literature
- Customer assistance with toll-free access (800-247-3295)

INNOVATION & SOLUTIONS DRIVEN BY INDUSTRY NEED & APPLICATIONS

We are committed to providing the most innovative hand and arm protection to the industries we serve. By working closely with our customers, we develop solutions designed specifically for the work, tasks, and applications our customers need.

WE ARE INNOVATION LEADERS AND HAND & ARM PROTECTION EXPERTS IN THE FOLLOWING INDUSTRIES:

- Automotive & Transportation
- Critical Environment
- Oil & Gas
- Food
- Metal Fabrication
- Machinery and Equipment
