

# Knifehandler®

High Performance Fibers and Stainless Steel

Whizard® Knifehandler's single-end yarn construction offers the highest ratio of cut protection to thickness available. Our unique patented combination of ultra-high strength fibers and stainless steel provides heavy duty protection from lacerations while maintaining softness, comfort and dexterity. Knifehandler gloves have excellent thermal properties that keep hands warm and comfortable. "Breathable" fabric increases circulation of air and helps to reduce perspiration.

## INDUSTRY:

Food and Beverage

## APPLICATIONS:

- Poultry Processing
- Beef Processing
- Pork Processing
- Metal Handling

## SPECIFICATIONS:

|                        |   |
|------------------------|---|
| Style                  | Knifehandler®                                   |
| Description            | Heavy Duty Cut Glove With 3" Cuff               |
| Material               | Ultra High Strength Fibers and Stainless Steel  |
| Latex                  | Latex Free                                      |
| Cut Performance        | ANSI/ISEA 105-2024 Level A9                     |
| Abrasion Performance   | ANSI/ISEA 105-2024 Level 3                      |
| Size                   | XS-XL   |
| Packaging (Inner Pack) | 6 pieces  |
| Packaging (Case Pack)  | 72 pieces                                       |
| Sold by                | 12 pieces                                       |
| Food Safety            | FDA 21 CFR Compliant, Approved for Food Contact |

## LAUNDERING:

Remove all large particles. Rinse with cold water then machine wash in warm water with mild detergent or soap for 10-15 minutes. Water temperature should not exceed 160°F (71°C). Rinse in cold water. Tumble dry for 10-15 minutes, not exceeding 150°F (67°C). A diluted bleach solution may be used (5.25% sodium hypochlorite or 1:10 household bleach).

## FEATURE:

- Ultra-high Strength Fibers and Steel
- ANSI/ISEA 105-2024 Cut Level A9
- 3" Cuff
- Ambidextrous
- Color Overedge

## BENEFIT:

- Provides exceptional protection against cuts and slashes
- Provides a high level of cut protection
- Wrist protection
- Allows use on either hand
- Ensures easy and accurate size identification

Patented yarn combination of high performance fibers and stainless steel

Cut Level A9 provides a high level of cut protection

## PERFORMANCE RATINGS:

## ABOUT WELLS LAMONT INDUSTRIAL

### DEDICATED TO PROTECTING THE HANDS AT WORK

Wells Lamont Industrial began manufacturing gloves in 1907 and continues to be a leader in the global glove industry today. We are driven to provide unequalled technology, service, and support to our safety distributors and end-users.

By leveraging our design and technical expertise, Wells Lamont delivers high quality and innovative cut and heat-resistant gloves, palm coated gloves, critical environment gloves, and leather gloves.

We are the only glove manufacturer in the U.S. that upwinds its own yarns and knits them into cut-resistant gloves.

### COMMITTED TO OUR CUSTOMERS

Following the precedents set by W.O. Wells more than 100 years ago, Wells Lamont today is committed to bringing our customers superior quality, innovative engineering, and responsive service.

We are passionate about maintaining excellent relationships with our customers, and we stand behind our products' quality and performance by providing:

- Control of quality
- Knowledgeable Sales Representatives
- Design technology and innovation
- Online product selection
- Downloadable sales literature
- Customer assistance with toll-free access (800-247-3295)

### INNOVATION & SOLUTIONS DRIVEN BY INDUSTRY NEED & APPLICATIONS

We are committed to providing the most innovative hand and arm protection to the industries we serve. By working closely with our customers, we develop solutions designed specifically for the work, tasks, and applications our customers need.

### WE ARE INNOVATION LEADERS AND HAND & ARM PROTECTION EXPERTS IN THE FOLLOWING INDUSTRIES:

- Automotive & Transportation
- Critical Environment
- Oil & Gas
- Food
- Metal Fabrication
- Machinery and Equipment
