

Y9239T

Thermal Hi-Vis Synthetic Shell with Latex Palm

Palm coated work gloves provide additional protection in high wear/high risk areas of the hand. This hi-vis shell with sandy latex coating is a lightweight synthetic knit. Its non-slip surface allows workers to work more efficiently and increases their grip. The uncoated back circulates air, allowing hands to 'breathe' and keeping them cool and comfortable. The thermal glove lining provides protection in cold environments.

INDUSTRY:

Food and Beverage

Critical Environment

APPLICATIONS:

Construction
Metal Fabrication
Freezer

SPECIFICATIONS:

Style	Y9239T
Description	Lined Hi-Vis Seamless Knit Palm Coated Glove
Material	Synthetic Knit Shell, Brushed Fleece Lining, Sandy Latex Palm Coating
Abrasion Performance	ANSI/ISEA 105-2024 Level 3
Cut Performance	ANSI/ISEA 105-2024 Level A3
Puncture Performance	ANSI/ISEA 105-2024 Level 4
Thermal Performance	ANSI/ISEA 105-2024 Level 2 (rated to 300°F)
Size	M-XXL
Packaging (Inner Pack)	12 pieces
Packaging (Case Pack)	144 pieces
Sold by	12 pair

13-Gauge continuous knit design for improved dexterity

Hi-Vis green color improves awareness

Cut Level A3 provides superior cut protection

FEATURE:

Hi-Vis Green Lightweight Synthetic Shell	Improves awareness
ANSI/ISEA 105-2024 Cut Level A3	Superior cut protection
Latex Palm	Outstanding Grip
Brushed Fleece Lining	Improved Thermal Properties
Knit Wrist Construction	Prevents dirt and debris from directly contacting the hand
Color Overedge	Ensures easy and accurate size identification

ABOUT WELLS LAMONT INDUSTRIAL

DEDICATED TO PROTECTING THE HANDS AT WORK

Wells Lamont Industrial began manufacturing gloves in 1907 and continues to be a leader in the global glove industry today. We are driven to provide unequalled technology, service, and support to our safety distributors and end-users.

By leveraging our design and technical expertise, Wells Lamont delivers high quality and innovative cut and heat-resistant gloves, palm coated gloves, critical environment gloves, and leather gloves.

We are the only glove manufacturer in the U.S. that upwinds its own yarns and knits them into cut-resistant gloves.

COMMITTED TO OUR CUSTOMERS

Following the precedents set by W.O. Wells more than 100 years ago, Wells Lamont today is committed to bringing our customers superior quality, innovative engineering, and responsive service.

We are passionate about maintaining excellent relationships with our customers, and we stand behind our products' quality and performance by providing:

- Control of quality
- Knowledgeable Sales Representatives
- Design technology and innovation
- Online product selection
- Downloadable sales literature
- Customer assistance with toll-free access (800-247-3295)

INNOVATION & SOLUTIONS DRIVEN BY INDUSTRY NEED & APPLICATIONS

We are committed to providing the most innovative hand and arm protection to the industries we serve. By working closely with our customers, we develop solutions designed specifically for the work, tasks, and applications our customers need.

WE ARE INNOVATION LEADERS AND HAND & ARM PROTECTION EXPERTS IN THE FOLLOWING INDUSTRIES:

- Automotive & Transportation
- Critical Environment
- Oil & Gas
- Food
- Metal Fabrication
- Machinery and Equipment

Contact us today and get the gloves you need.
