

Y9277

Synthetic Knit Shell with Polyurethane (PU) Palm

Palm coated work gloves provide additional protection in high wear/high risk areas of the hand. The Y9277 has nylon back with a gray PU palm. The coated glove shells are excellent for a variety of applications that require a high level of dexterity along with cut protection. Non-slip surface allows workers to work more efficiently and with greater confidence. The open, uncoated back circulates air allowing hands to 'breathe' and keeping them cool and comfortable.

INDUSTRY:

Construction

APPLICATIONS:

Construction
Metal Fabrication
Assembly

SPECIFICATIONS:

Style	Y9277
Description	Seamless Knit Palm Coated Glove
Material	Synthetic Knit Shell, PU Palm Coating
Latex	Latex Free
Cut Performance	ANSI/ISEA 105-2024 Level A1
Abrasion Performance	ANSI/ISEA 105-2024 Level 4
Size	XS-XXL
Packaging (Inner Pack)	12 pairs
Packaging (Case Pack)	144 pairs
Sold by	12 pair

LAUNDERING:

Machine wash in warm water with detergent or soap for 10-15 minutes. Water temperature should not exceed 140°F (60°C). Rinse in cold water. Tumble dry low for 15-20 minutes, not exceeding 120°F (50°C). For heavily soiled gloves pre-treat with a stain remover. Do not use bleach or dry cleaning solution.

FEATURE:

Thin 13-Gauge Shell
PU Palm
Seamless Design
Color Overedge

BENEFIT:

Conforms to the hand for improved dexterity and comfort
Provides excellent grip and tactility
Offers increased flexibility for electronics and small parts handling
Ensures easy and accurate size identification

13-Gauge continuous knit design provides improved dexterity and comfort

Colored overedge ensures easy and accurate identification

PERFORMANCE RATINGS:

ANSI/ISEA
105-2024

Cut Level A1
Abrasion Level 4
Puncture Level 2

EN 388:2016
+A1:2018

ABOUT WELLS LAMONT INDUSTRIAL

DEDICATED TO PROTECTING THE HANDS AT WORK

Wells Lamont Industrial began manufacturing gloves in 1907 and continues to be a leader in the global glove industry today. We are driven to provide unequalled technology, service, and support to our safety distributors and end-users.

By leveraging our design and technical expertise, Wells Lamont delivers high quality and innovative cut and heat-resistant gloves, palm coated gloves, critical environment gloves, and leather gloves.

We are the only glove manufacturer in the U.S. that upwinds its own yarns and knits them into cut-resistant gloves.

COMMITTED TO OUR CUSTOMERS

Following the precedents set by W.O. Wells more than 100 years ago, Wells Lamont today is committed to bringing our customers superior quality, innovative engineering, and responsive service.

We are passionate about maintaining excellent relationships with our customers, and we stand behind our products' quality and performance by providing:

- Control of quality
- Knowledgeable Sales Representatives
- Design technology and innovation
- Online product selection
- Downloadable sales literature
- Customer assistance with toll-free access (800-247-3295)

INNOVATION & SOLUTIONS DRIVEN BY INDUSTRY NEED & APPLICATIONS

We are committed to providing the most innovative hand and arm protection to the industries we serve. By working closely with our customers, we develop solutions designed specifically for the work, tasks, and applications our customers need.

WE ARE INNOVATION LEADERS AND HAND & ARM PROTECTION EXPERTS IN THE FOLLOWING INDUSTRIES:

- Automotive & Transportation
- Critical Environment
- Oil & Gas
- Food
- Metal Fabrication
- Machinery and Equipment

Contact us today and get the gloves you need.
